

Sponsorship Packages

\$0-5000

Hammerhead Sponsorship Package

Sponsors at this level receive recognition through placement of their company name on our team website and official team shirts. Higher paying sponsors also receive additional visibility with their company name displayed on our competition robot and team banners, helping promote their brand within our school community and at robotics events.

**\$5,000 -
\$10,000**

Tiger Shark Sponsorship Package

Tiger Shark sponsors receive all Hammerhead benefits, along with enhanced brand exposure through mentions in media appearances and posts across our social media platforms. This level provides strong visibility to a wider audience, including students, families, and members of the robotics and STEM community.

**\$10,000 -
\$20,000**

Great White Sponsorship Package

Great White sponsors receive all Tiger Shark benefits, with the added advantage of frequent recognition on social media and increased promotional opportunities. This includes the option for promotional support or advertising opportunities when requested, ensuring consistent and meaningful brand exposure throughout the robotics season.

\$20,000+

Megalodon Main Sponsorship Package

Elite Megalodon sponsors receive the highest level of recognition as our main brand partner. This includes premium brand placement on team shirts, robots, and banners, multiple sponsorship placements for maximum visibility, and recognition as the primary sponsor in regional and international robotics interviews, media coverage, and official appearances. This level ensures strong and lasting brand recognition across all team activities and events. (This package is limited to 3-4 companies)
